Mr. Mark Ader
Federal Facilities Site
Assessment Manager
Region 10
Environmental Protection Agency
1200 Sixth Avenue
Seattle, Washington 98101

Dear Mr. Ader:

This correspondence is in reply to your letter dated February 24, 1992, with regards to the formerly used Pedro Dome Radio Relay Site near Fairbanks, Alaska.

You referred to documents that you have reviewed for the purpose of conducting a hazard ranking system evaluation for the above referenced site. Please be advised that we did not submit the documents that you have reviewed. We believe that these documents may have been submitted by the current landowner of this site which is Alascom, Incorporated. The Corps of Engineers is not the owner or custodian of this particular property. As such, providing revised documents, as per your request, would be outside of our jurisdiction and funding ability.

We are taking the liberty of providing a copy of this correspondence, plus your letter with enclosures to Alascom, Incorporated at the address shown below:

Ms. Barbara E. Gruenstein
Administrator, Contracts
Alascom, Incorporated
210 E. Bluff Road
Anchorage, Alaska 99519-6607

Please contact Mr. Richard Parrish of our Programs and Project Management Division at (907) 753-5789, if you have any questions on the above information.

Sincerely,

A handwritten signature in dark ink, appearing to read 'K. Shadrick', written over the word 'Sincerely,'.

Kirk W. Shadrick, P.E.
Deputy District Engineer
Programs and Project Management
Division
